Passport To Marian
Madrigal Yearbook
Volume 50, 2017

www.marianhs.org
population: 690
Northern Indiana Athletic Conference

When Marian opened its doors for the first time fifty-two years ago, it welcomed a new era of education heightened with new hope and opportunity. Today, as each class passes through its hallways, the promise of success through learning remains integral to each and every classroom. Although it can be said that the high school experience serves simply as a stepping-stone towards college careers, students at Marian never forget their journey here. Between worshipping together, late night football games, volunteer projects and pep rallies, it is the memories

formed within those four years that shape the character of students as they grow in mind and faith. Most importantly, students learn that it is not the destination, but the journey that leaves a lasting impression for future achievements.

Looking back at 2017, year's students cultivated their goals in order to prosper in the the near and hopeful future.

Here is your **PASSPORT** to
Marian High School...

Summertime Souvenirs

In our world, it's easy to become caught up in flashy advertisements and the glamour of materialism. Too often, we center the worth of an experience on what we wore or what things helped make the moment special. But as seen in the students pictured here, pure joy is found by living presently. Whether it included zip lining in Costa Rica, pilgrimaging to World Youth Day, or simply soaking up the sun on a Michigan beach, these photographs capture what it means to cherish the big, and little, moments. These pictures are arguably more precious than any gift in a souvenir shop.

No one will ever ask you what you bought or what you wore over the summer. It is the memories you make that will remain.

Faith Life Within Marian

Marian High School does not focus on just sports or academics. Marian also strives to help us grow in the Catholic faith. Our high school guides us straight in our moral compass. Marian has several opportunities to grow in the faith including: prayers throughout the day, and the celebration of the Sacraments. Marian requires a religion class in everyone's schedule, so that the understanding of the faith can start or continue throughout our high school career. In addition to the monthly All School Liturgy, Mass is celebrated twice a week, after school and during homeroom. Confessions are also available during school lunches.

Faith in Action throughout the year

Faith in action is love, and love in action is service. By transforming that faith into living acts of love, we put ourselves in contact with God Himself, with Jesus our Lord.

-Mother Teresa

Knights Give Back 2016

Service Day

This year students of Marian High School participated in their third annual Knights Service Day. Marian's mission statement is learn, serve, lead. Students went out into the community serving those in need and helping in any way they could. Marian students aimed to show others how to act in a Christian manner outside of school and church. This is one way Marian students like to reach out and lend a helping hand to those in need.

Marian students went to various places
for service day this year, such as:

Saint Vincent DePaul

Habitat for Humanity

Unity Garden

Mishiwaka Catholic School

Logan Center

A Rosie Place

Hubbard Hill

The Lady Knights volleyball team achieved many things in their 2016 season. They were the NIC South conference champions! They also had an outstanding tournament outcome, winning both sectional and regional titles. Although we are excited to see what next season has in store for us, we will miss our seniors very much! Come check out the volleyball team next season!

To us who think of soccer as life. To us who spend every day training. To us who have cried after a loss. To us who have bled on the pitch. To us with bruised knees. To us who came back after an injury. To our best friends who are also our teammates. To the injuries, goals, tears, smiles, and celebrations. To the missed Friday night football games, the early practices, the late nights, and sacrifices. To us who have passion for the beautiful game. To us who look up to Alex Morgan, Carli Lloyd, and Abby Wambach. To us who never, ever give up. To us who achieve when others can't. To us athletes. To us soccer players.

CROSS COUNTRY

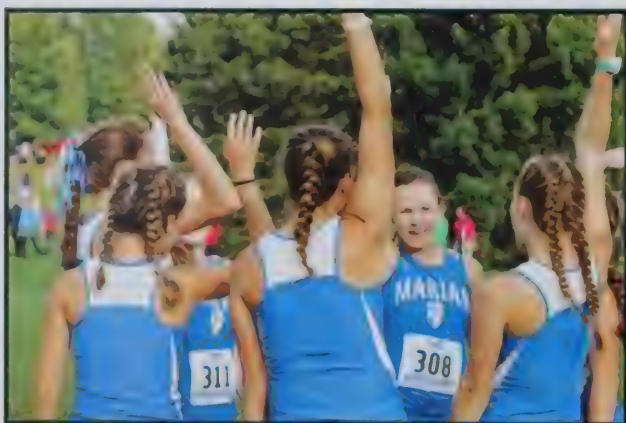

GO THE DISTANCE

Cross country is arguably the most demanding sport. Trudging up a hill of slippery mud, followed by 100 other runners for 3.1 miles teaches a person a lot about themselves. Runners learn that work ethic overrides talent. They discover that they are not defined by their accomplishments, but by their effort and desire to succeed. Most importantly, cross country runners learn that they are only as capable as they believe themselves to be.

Marian's 2016-2017 cross country team ran far and hard. Together, they finished one of their most successful seasons in school history.

THE PLAY: "YOU CAN'T TAKE IT WITH YOU"
DATE: OCTOBER 11, 2016

Audiences wept, laughed, and applauded for the 2016 fall school play, "You Can't Take it With You". Starring Mackenzie Hester (senior) as Alice and junior Nick Kloska as Tony Kirby. The play follows the life of a young woman named Alice Sycamore in the 1920s who, as the "normal one," is the odd one out in her eccentric family. When Alice falls in love with a normal, wealthy man by the name of Tony Kirby, chaos and hilarity ensue.

In this scene to the right, Nick Kloska plays Tony Kirby and Mackenzie Hester plays Alice. During the scene, Tony proposes to Alice, during which she responds that her family is too embarrassing and is not good enough for him.

Learning Strategies

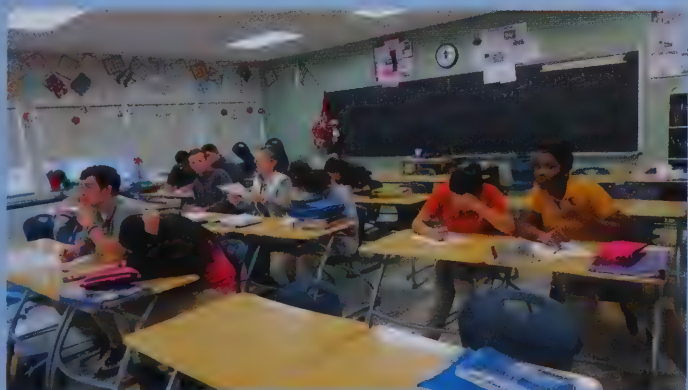

Hey! My name is Mrs. Ganser, and I teach basic skills. I have been teaching for 30 years and have been at Marian for 10 years. As a teen, I struggled with keeping my things organized and did not have the knowledge to know how to study. It became a huge struggle. I watched my classmates that were passing and tried to imitate them; however, it took several years to know what they were actually doing. The reason why I teach basic skills is so that students at Marian can have the knowledge to know how to be more prepared for college. I love helping students with their homework, because we learn new things together. I also love seeing students discover their ability to succeed at something they thought was difficult. I am aware that high school can be very challenging, but I persuade every student to develop their study skills so high school can be easier.

Hi! My name is Mrs. Dyer, and I also teach basic skills. I have been teaching at Marian for 13 glorious years! I love seeing the students succeed in learning. I love that I am able to share in their spiritual, academic, and physical journey to young adulthood. Living an unorganized life can lead to chaos. I myself, am a very organized person, so I like to share my skills with others. Get involved with activities or clubs that are right for you, but always maintain your academic responsibilities.

Alexis Keller. This is you on your first day of Kindergarten. You have worked so hard and overcome many obstacles to get to where you are now. Although we miss who you were, we are so proud of who you've become. Your integrity, kindness, and generosity make you beautiful on the inside to match what is so apparent on the outside. Understandably, this may seem like a sad time in your life. Realize that what feels like the end is only just the beginning. Your memories are behind you, but your dreams are in front of you. Congratulations and good luck at Xavier! Dream big! Work hard! Greet the future with anticipation! Stay humble. God is always on your side. There will always be something inside you bigger than any obstacle in front of you. And do not let school get in the way of your education.

Love, Mom, Dad, Marc, Elizabeth, Jack, Lucy and Noah

I have enjoyed watching you grow within yourself and I am so proud of you and your accomplishments. It has taken hard work and dedication to be where you are, to achieve, and go after your dreams. No matter how much homework you had, balancing track and your job, you always achieved your best you could be. I will always be there for you, supporting you and cheering you on as you travel the world and living out your dreams. Be free to be true to who you are.....

The Man In The Arena

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat."

-Theodore Roosevelt

Congratulations Bryce! Your commitment & dedication, to achieve goals, has resulted in proven success. As you begin a new chapter in life, at Northwood University, stay focused on your future vision and allow new opportunities, as they arise, lead you to continued personal growth and higher achievements!

Love Always, Mom and Dad

He has loved teaching and will miss the daily interaction with the students and other faculty members. Marian is grateful for his many years of service. The students will remember him for being dedicated, hilarious, and a great teacher. Mr. VanGoey considers the end of his teaching career to be the beginning of a new era in his life. All the chemicals sorted and counted,
we massed and measured,
all nicely mounted.
Some days we hated the
Flinn chemical software.
Other days, we wished
the shelves were bare.
Oh, chemical storage room,
at last you're done.
It may have taken all semester
but at least we had fun.
